4. David Bowden, Bryce Reeder, **Duu Renn** and Gina Martinez, "Safe Enough to Donate? A Geospatial Approach to Examining the Effect of Conflict on Aid Commitments."

RESEARCH EXPERIENCE

Schroeder Fellow and Research Affiliate 2016 - Present
Cline Center for Democracy, University of Illinois

Supervisors: [Scott Althaus](#) and [Dan Shalmon](#)

Description: Data collection on civil war participants, leaders, and political parties for my dissertation using the [Global News Archive](#) and the [Open Event Data Alliance](#) materials. Collaborated with the Cline Center on other projects, including event data collection, data visualization, database access through R, and statistical analyses. Provided assistance to undergraduate research assistants working on a coup dataset and a project linking refugee movements and terrorist attacks.

Research Assistant 2015; 2017

Department of Political Science, University of Illinois

Supervisor: Xinyuan Dai

Description: Work on a number of research projects using the MAP dataset, including articles on human rights practices, militarized disputes, and regime type on treaty ratification.

Research Assistant August 2011 to May 2012

Army Corps of Engineers, Construction Engineering Research Laboratory

Supervisor: Lucy A. Whalley

Description: Work in multi-disciplinary group on policy-related project

Research Assistant September 2007 to May 2010

Department of Political Science, University of Kentucky

Supervisors: Daniel Morey; Clayton Thyne and Justin Wedeking

Description: Data collection on a variety of projects. Included dyadic event data using COPDAB and WEIS, civil war data, and Supreme Court oral arguments

TEACHING EXPERIENCE

University of Denver

Authoritarian Regimes Spring 2018

Consequences of Civil War Spring 2018

Causes of Civil War Spring 2018

Defense Security Quantitative Analysis (Graduate Level) Winter 2018

Security and Defense Methods (Graduate Level)

Fall 2017

University of Illinois

Instructor

Global Studies 296 – The Consequences of Civil War	Fall 2017
Political Science 230 – Research Methods and Data Science	Spring 2016
